

LearningExpress Library Military Flight Aptitude Practice Tests

Before you can live your dream of becoming a pilot or navigator in the United States armed forces, you must first earn a high score on one of the three military flight aptitude tests.

The **LearningExpress Military Flight Aptitude Practice Exams** offer pilot and navigator candidates the essential, authentic practice they need to perform their best on the Air Force Officer Qualifying Test (**AFOQT**), the Army Alternate Flight Aptitude Selection Test (**AFAST**), or the Navy's Aviation Selection Test Battery (**ASTB**), also used by the Marines and Coast Guard.

We offer online practice tests based on the content, format, and timing of the official AFOQT, AFAST, and ASTB:

The **AFOQT Practice Exam** offers:

- **250 multiple-choice** questions designed to **familiarize examinees with the content, format, and timing** found on each of the eleven scored subtests of the official AFOQT
- **Instant online scoring** and **detailed answer explanations**

Quick Facts

According to the Bureau of Labor Statistics:

- Opportunities for employment should be excellent for qualified individuals in all branches of the Armed Forces through 2016.

The **AFAST Practice Exam** offers:

- **100 multiple-choice** questions designed to **familiarize examinees with the content, format, and timing** found on each of the five scored subtests of the official AFAST
- **Instant online scoring** and **detailed answer explanations**

The **ASTB Practice Exam** offers:

- **142 multiple-choice** questions designed to **familiarize examinees with the content, format, and timing** found on each of the five scored subtests of the official ASTB
- **Instant online scoring** and **detailed answer explanations**
